UCEAP Transcript Title
ATLANTC SLAVE TRADE

UCEAP Quarter Units
6.00

UCEAP Semester Units
4.00

Course Description
This course focuses on how Africans experienced the Atlantic trade and how they challenged the oppressive systems under which they were forced to labor. It provides a broadly chronological introduction to the ways in which Africans became slaves, the Middle Passage, and the establishment of plantations in the New World. It makes use of slave narratives, photographs, and abolitionist tracts to examine the origins, form, and structure of the Atlantic trade from a global perspective.

Language(s) of Instruction
English
