**Course Description**

This course for foreign students is designed to improve students' language skills and vocabulary. Areas of focus include grammar, conversation, writing exercises, and listening and reading exercises. In addition, excursions are planned to introduce students to German culture. Students work with cultural and historical topics in everyday situations and broaden their intercultural knowledge. They are introduced to independent learning methods and familiarize themselves with typical learning situations at German universities. In this class at the A1 level according to CEFR, students are introduced to basic grammar points and learn basic vocabulary. All four skills are developed and applied to everyday situations and some study-related situations. The A1 level is split into two courses, the A1.1 course covers the first half of the level and the A1.2 course covers the second half of the level.
