Course Description

The course reviews modernist and post-modernist novels in English literature, as well as the historical and cultural contexts that influenced their development. It provides a critical analysis of a selection of texts published in the British Isles and/or other English-speaking environments during the Modern (1880-1930) and Postmodern (1960-present) periods. Texts covered may vary by term and/or instructor.

Language(s) of Instruction
English
