UCEAP Transcript Title RURAL FOOD SECURITY
UCEAP Quarter Units 4.00
UCEAP Semester Units 2.70

Course Description
The course examines the concepts of rural livelihoods, food security, and food insecurity, as well as the implications of food security on rural development. Students learn to facilitate the selection, establishment, and management of sustainable livelihood strategies for the attainment of food security by rural communities. Topics include the sustainable livelihood framework; selection and management of sustainable livelihood strategies; and measurement of food security and causes of food insecurity.
