UCEAP Official Title EXPANDING BOUNDARIES: RE-THINKING MAGICAL REALISM
UCEAP Transcript Title RETHINK MAG REALISM
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description
Magical realism is an international style of writing that is considered one of the most established world literary genres and inextricably linked to the development of post-colonialism. This course raises questions such as: What counts as the political aspects of a novel? Why Western literary forms came under question during the period of de-colonisation? What problems are associated with defining a literary genre and determining its literary value?

Language(s) of Instruction
