UCEAP Quarter Units 5.00
UCEAP Semester Units 3.30

Course Description

This course examines the emergence of the Celts in the earliest historical record. Students learn to outline the history of the Celtic peoples from the earliest evidence; describe the impact on early European history of the migration of Celtic speaking peoples; discuss how the Celts were viewed by Classical authors; and to show an understanding of the diverse range of sources for the period including archaeological, historical, and linguistic.
