Course Description

This course introduces students to the formation of the United States of America. It covers the early days of the country (starting with the revolution of the 13 British colonies and then also deals with the main other founding myths of the country such as Manifest Destiny and the Frontier. The second part of the semester introduces basic tenets regarding the making of the country (notably with a focus on how the USA was peopled over time). Primary documents are analyzed as well as excerpts of videos.
