5.30

Course Description
The aim of this course is to examine and evaluate the major issues and controversies in the study of elections, voting behavior and political parties in Britain, and to provide a basis for comparative analysis. Drawing upon skills and knowledge learnt in previous undergraduate work, it seeks to provide a sophisticated examination of changing electoral behavior, party ideology and the party system. A variety of methodological techniques employed in psephology and the study of parties are employed.

Language(s) of Instruction
