Course Description
This course introduces students with little or no background in movie making to the fundamentals of filmmaking from a professional filmmaker's perspective. The course analyzes the roles of directors, writers, producers, actors, production designers, editors, and sound designers, to provide insight into professional filmmaking practice. The course also analyzes key creative and practical skills such as the application of genre, screenwriting, directing, cinematography, film editing, production aesthetics, and film crew organization.

Language(s) of Instruction
