Course Description
This course examines the histories of Maori and Pakeha cultural interactions during the nineteenth century. It explores relationships between identity, power and place, in both international and local forums. It begins in the late eighteenth century and ends in the early twentieth century. Themes include: ways of knowing the past; Maori social systems; early cultural encounters and exchange; intimate relationships; fatal impact ideology; Te Tiriti o Waitangi; Maori commercial activities; the New Zealand Wars and forces of colonization; Pakeha settlement; Maori prophetic movements; Te Arawa and the international tourist trade; modern Maori leadership; the Native school system; New Zealand's overseas empire.
