UCEAP Transcript Title POL & SOCIETY JAPAN
UCEAP Quarter Units 3.00
UCEAP Semester Units 2.00

Course Description

This course examines the history of social movements in Japan from the 1940s to the 1990s. By focusing on the formation and transformation of “good citizenship” in the political discourse of postwar Japan, and by introducing several key Japanese intellectuals’ discourses on democracy and modernity, the class discusses how political ideas have affected the social process, especially in the attempt of re-establishing the relationship between the private sphere and the public sphere.
