Course Description

The language section of the course helps students develop and improve the skills and strategies necessary to successfully manage most uncomplicated oral and written tasks and social situations which may be confronted within daily life in the Netherlands. The culture & society section provides a basic understanding of present-day Dutch society and culture. Through reading articles covering Dutch culture, students learn to understand the Dutch way of approaching and discussing cultural and society issues.

Format
During the language section, the classroom language is Dutch. The main activity is the use of Dutch in a variety of oral and written communication tasks. The instructor provides input, instruction, and explanations.
In the culture section, topics on Dutch society and culture are introduced and discussed. Reading materials on Dutch culture are studied in English and/or Dutch.
Students are expected to give a presentation in English.
