Course Description

This course introduces pre-Qin Taoist philosophy, and mainly explains the important concepts and issues of pre-Qin Taoist philosophy through study, discussion, and teacher explanation. This course consists of two units with equal emphasis: Laozi and Zhuangzi. In terms of form, the course focuses on methods of argumentation and strategies for meaning-making in philosophical writings. In terms of content, it discusses the social value of Taoist philosophy and views on interpersonal interaction, of which language and communication are important themes.
