UCEAP Course Suffix
UCEAP Official Title PSYCHOLOGY OF READING AND ITS IMPAIRMENTS
UCEAP Transcript Title READING&IMPAIRMENTS
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description
This course analyzes the psychological theories and approaches to current research on the psychology of reading, specifically from the perspectives of skilled readers and impaired readers due to brain damage, as well as typical and atypical literacy development. Students learn to describe and evaluate major empirical findings within the core areas of study; to evaluate the behavioral, neurological, and neuroscientific evidence against current theories in psychology of reading; and to write clearly and coherently about the application of theory and practice in the psychology of reading.
