Course Description

This course for foreign students is designed to improve students' language skills and vocabulary. Areas of focus include grammar, conversation, writing exercises, and listening and reading exercises. In addition, excursions are planned to introduce students to German culture. Students work with cultural and historical topics in everyday situations and broaden their intercultural knowledge. They are introduced to independent learning methods and familiarize themselves with typical learning situations at German universities. In this class at the B1 level according to CEFR, students consolidate and systematically build further basic grammar points and vocabulary. They expand their proficiency in all four skills. The B1 level is split into two consecutive courses, the B1.1 course covers the first half of the level and the B1.2 course covers the second half of the level.
