Course Description

This is an advanced level German course- German C1. This course is for students who have completed a minimum of four semesters of university level German. Their goal is to be comfortable in their communication and writing skills and to interact in a wide range of contexts. By the end of this course, the student has acquired the following competencies: Listening comprehension: understand with some ease relatively fast-paced audio or audiovisual recording on a rather complex subject; understand the implied meanings in a speech; Reading comprehension: can understand relatively long texts on a variety of subjects, journalistic or literary texts of a certain level; can understand the nuances of a text, explicitly as well as implicitly expressed; Speaking: can intervene spontaneously in a discussion on a rather complex subject and can clearly express a point of view; can accurately give a presentation without reading notes and demonstrating a good command of grammar; can react to questions or objections from the audience with a wide range of language skills; Writing: can demonstrate a good command of writing through the use of precise language and varied structures.
