| **UCEAP Quarter Units**<br>3.00 |
| **UCEAP Semester Units**<br>2.00 |

**Course Description**
Finance is composed of two pillars: corporate finance and asset price theory (investment theory). This lecture focuses on the first pillar. In corporate finance, the balance of theory and application is essential. For this reason, financial workers who have ample practical experience (investment decisions, fundraising, risk management, financial management, and M&A) give lectures.

**Language(s) of Instruction**
Japanese

**Host Institution Course Number**
N/A

**Host Institution Course Title**
KIGYOU KINYUURON A

**Host Institution Course Details**

**Host Institution Campus**
Keio University

**Host Institution Faculty**

**Host Institution Degree**

**Host Institution Department**
Economics

**Course Last Reviewed**
