Course Description
This course offers a critical introduction to contemporary film and television. It covers basic vocabulary for understanding the filmmaking process as well as narrative forms in both film and television. The course also considers key areas of film and television studies such as spectatorship, genre and realism, with examples drawn from both South Africa and abroad. Assessment: still-frame analysis (15%), stylistic analysis (30%), creative project: short script or film (25%), and final exam (30%).
