Course Description

By studying vocabulary and grammar intensively, as well as practicing speaking, listening, reading, and writing skills, students revise and develop what was learned at level A1, improving communicative competencies. This makes students better prepared for studying and daily life in Germany and enables them to proceed to level B1. The A2 level is split into two courses, the A2.1 course covers the first half of the level and the A2.2 course covers the second half of the level.
