UCEAP Course Suffix
UCEAP Official Title GENDER, SEXUALITY, AND SOCIAL CLASS
UCEAP Transcript Title GENDER SEX & SOC
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description
This course considers humans as gendered, sexual, and classed subjects and discusses how various theoretical resources can be used to understand everyday practices and issues. Throughout the course, seminal and engaging texts are used to help students think through the main themes. Critically, the course also considers the methodological approaches to studying gender, sexuality, and class and how these variously offer insights into processes that shape possibility for classification, relations of inequality, and sociability.
