3.30

Course Description

This course is for students who have no previous knowledge of German and offers an introduction to German language and culture. Students develop competence in a range of everyday tasks in German. The course focuses on oral communication and on acquiring essential listening and speaking abilities. Students also develop and practice basic reading and writing techniques. The stimulus material (oral, aural, and written) provides an introduction to German grammar and syntax and contributes to giving the students an insight into aspects of German life and culture.
