Course Description

Topics in this course include: Irish foreign policy (political, diplomatic, and economic); role of regional and international institutions; case studies; the relationship between values, interests, identity, and foreign policy; foreign policy formulation; and theoretical approaches. Students interpret, analyze, and assess Ireland's place in the world; examine the impact of European integration on Irish foreign and defense policy; analyze Ireland's policies towards major international crises and events both past and present; and assess the role of international institutions and global developments on Ireland's place in the world.
