UCEAP Quarter Units 6.00
UCEAP Semester Units

4.00

Course Description
This course looks at how poets use sonnets to express profound emotions and desires, such as Shakespeare's contemporary Richard Barnfield, politically charged Milton and Shelley, and contemporary poets, including Paul Muldoon and Seamus Heaney. The course considers origins of the sonnet in Sicilian and troubadour poetry and song, into the English sonnet boom of the 1500s, up to its most contemporary manifestations.
