Course Description

This course is divided into two parts. The first part focuses on Egyptian religion from its origins in pre-history to its influence on later religions, including Christianity. This course discusses dogma, ritual, and element of religious culture such as temples, tombs, and representations in visual arts. The second part focuses on religions of the Near East. This course examines the geographic area that encompassed the Sumero-Akkadian cuneiform culture. It explores the concept of divinity in Mesopotamia and the main divinities. This course analyzes the temple, representations of the gods in the temple, and worship in the temple, as well as types of prayer, rituals, and divination.
