UCEAP Transcript Title WESTERN HISTORY
UCEAP Quarter Units 4.50
UCEAP Semester Units 3.00

Course Description

This course examines major events in the long-twentieth century of the Western civilization with six themes: War and Revolution, interwar years, the postwar order, Bretton Woods, challenges against the state from left- and right-wing intellectuals, and globalization and de-globalization. Challenging the dichotomy of ‘West’ and ‘East’, it pays attention to the way in which different civilizations interconnected themselves.
