UCEAP Semester Units

2.00

Course Description

The course adopts a broad perspective of design art, encompassing dual aspects of appreciation and creation. Grounded in art historical contexts of styles and schools, it traces the origins and underlying trajectories of the Constructive notion, while guiding students to study fundamental visual vocabulary, principles and methods of form-making, perceive the characteristics, techniques and performance of material construction, develop abstract modeling thinking, explore spiritual expression through artistic practice, ultimately experiencing the joy of creation.
