UCEAP Quarter Units 4.50
UCEAP Semester Units 3.00

Course Description

This course examines the evolution of the historiography of the Cold War, with its recent transformations, to then analyze the nature of today's international relations marked by the “return of competition between the super powers,” an expression created by the Pentagon in 2016. The Chinese and Russian analyses of the evolution of the world that we have long called "Post-Cold War" is also studied.
