Course Description

This course is part of the LM degree program and is intended for advanced level students. Enrolment is by consent of the instructor. The course examines the history of contemporary Italy and its main historiographical interpretations. After completing the course students can communicate the knowledge acquired using the specific terminology peculiar to the subject and in line with its scientific principles, find their bearings in the historiographical debate; have learned the methodologies for researching the social classes and the tendencies of the same; and have gained an understanding of mass culture and the processes of consumption.
