POWER & DIVERSITY

**UCEAP Quarter Units**

4.50

**UCEAP Semester Units**

3.00

**Course Description**

The seminar explores, through the disciplines of sociology, law, political science, economics, philosophy, and the arts, how the new struggle for the empowerment of individuals can renew the thought on equality, non-discrimination, and diversity in the light of the affirmation of freedoms and the right to citizen participation. Today a new discourse on emancipation and recognition of people is emerging that focuses more on the enhancement of the human potential of individuals beyond their characteristics.
