ANTHROPOLOGY OF HEALTH

**UCEAP Transcript Title**

ANTHROPOLOGY/HEALTH

**UCEAP Quarter Units**

6.00

**UCEAP Semester Units**

4.00

**Course Description**

This course the student provides a study of the theoretical and methodological foundations of medical anthropology, as well as its main objects of study. It examines health-disease processes as a socio-cultural and technical construction with a Latinx perspective, contrasts the vision of health-disease processes of "western" cultures with Indigenous and Afro-descendant cultures, and identifies the perspectives of SEA processes within the framework of globalization and modernity.

**Language(s) of Instruction**

Spanish

**Host Institution Course Number**

1849

**Host Institution Course Title**

ANTROPOLOGIA DE LA SALUD

**Host Institution Course Details****Host Institution Campus****Host Institution Faculty****Host Institution Degree****Host Institution Department**
