UCEAP Semester Units

2.00

Course Description
This course is for students to learn intermediate-level Chinese (grade 2-3 of the HSK proficiency test or 3-4 class level). The main aim is to improve listening skills by hearing a lot of basic examples. Through HSK-style exercises, students familiarize themselves with the HSK test format. The first and last lessons include a simulated HSK grade-3 test as an indicator of each student's progress. Each lesson also includes a vocabulary quiz. Text: "CHUGOKUO LISTENING DOJO" by Masahiro Endo et al. published from Asahi Shuppan. Assessment: class attendance, participation, and a final exam.
