Course Description

This course is designed for the beginner student with no previous knowledge of German. This course is intensive and is intended for dedicated, highly self-motivated students who will take responsibility for their learning. Through this course students develop basic competences in listening, speaking, reading, and writing as well as a basic knowledge of the German culture. It enables students to deal with everyday situations in a German-speaking environment and to conduct simple conversations. Students develop reading strategies that help to understand simple newspaper and magazine articles as well as short literary texts. Students write, revise, and proofread short texts in German, and understand the main features of conversations and lectures dealing with familiar topics.
