UCEAP Semester Units 4.00

Course Description
The course focuses on minority groups in the United States and their relationship to the majority culture. The course deals with the debate about which factor, race or ethnicity, is more important in describing today's US society. Issues taken up include: the different minority groups, the relationship between minorities and the majority culture, affirmative action for minorities, and what it means to be an American in the early twenty-first century.
