Course Description

This course is for beginners with no previous knowledge of Korean. It gives absolute beginners a basic, working knowledge of spoken and written Korean. The lectures are taught in larger groups (of approximately 30 students), while separate oral tutorials entail smaller groups (of around 15 students). In the tutorials, students practice speaking and writing tutorials. Students learn the Korean script (Hangul) and acquire a vocabulary of 600/700 Korean words. They also learn how to comprehend and compose short pages in Korean. Topics covered throughout the course include daily routines, making plans, means of transportation, and shopping.
