Course Description

This pre-semester course prepares foreign students for academic study at a German university. The focus is on the improvement of oral and written expression as well as grammar and lexical proficiency. The course covers selected topics on German politics and society within a historical context. In addition, excursions are planned to introduce students to German culture. Students work with cultural topics in everyday situations and broaden their intercultural knowledge. They are introduced to independent learning methods and familiarize themselves with typical learning situations at German universities. In this class at the B1 level according to CEFR, students consolidate and systematically build further basic grammar points and vocabulary. They expand their proficiency in all four skills. The B1 level is split into two courses, the B1.1 course covers the first half of the level and the B1.2 course covers the second half of the level.
