**UCEAP Semester Units**

1.30

## Course Description

This course offers students the opportunity to engage in conversation, acquire competence, and improve their Spanish language abilities. Costa Rican colloquialisms and vocabulary related to the forest, agro-ecology, food, body parts, and culture are covered. A 15-night homestay with a local family immerses students in Spanish language and Costa Rican culture. Evaluation for the course is based on participation, written assignments, and a final exam.
