UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description
This course offers an introduction to the study of the interrelationship between language and society. It is concerned with phenomena of language change and how that leads to varieties in a language. It answers the following questions: How are these varieties linked to social differences? What distinguishes male speech from female speech and what are the linguistic styles of different social classes or ethnic groups? What is slang, or jargon, and what distinguishes a casual conversation from an interview?

Language(s) of Instruction
