Course Description
This course covers how journalists collect and report the news on the international beat. It examines what real life journalism is like for foreign correspondents in the field. The main focus is on studying Western-style reporting in Japan, Korea, China and South Asia. Topics covered include kisha clubs, conflict reporting, freedom of the press, the rise of social media, business journalism and hurdles to foreign reporters. Video journalism vs. photojournalism is also discussed. Assessment: papers, class participation, other assignments.
