Y

UCEAP Official Title
DESIGN FOR SUSTAINABLE DEVELOPMENT

UCEAP Transcript Title
DESIGN FOR SUST DEV

UCEAP Quarter Units
5.00

UCEAP Semester Units

3.30

Course Description
In this course, students explore international development with a detailed real-world case study analysis. Students focus on identifying the issues faced by the community, the key stakeholders, and their varied perspectives on the problems. They work in teams to design a practical solution to an issue that they have identified as being critical for the community. Students work alongside other students who are studying the same community, but from different perspectives.
