Course Description

This course provides, to citizens of a society under the rule of law, an understanding of their rights and obligations, and examines how to learn to act in accordance with the law while protecting their legal rights. It also covers how to respect the rights of others, how to handle their relationship with others and society, and how to play a positive role in the process of social rule of law.

This course draws on the essence of jurisprudence, constitutional law, administrative law, civil law, marriage and family law, criminal law and procedural law, and is designed with students as rights subjects and social masters. Its main content revolves around the rule of law, citizenship and rights, and how to take those rights seriously.
