UCEAP Course Suffix
UCEAP Official Title THE SUPERNATURAL WORLD
UCEAP Transcript Title SUPERNATURAL WORLD
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description

The course examines magical belief and supernatural entities in Scotland. This complex and much-neglected aspect of our cultural heritage is explored through a combination of empirical data (provided by case studies and archive holdings) and theoretical contextualization. A dominant theme is the identification and interpretation of vestiges of supernatural belief still extant and deeply embedded in Scottish cultural life. Comparative material from other Celtic-language cultures and Scandinavia also feature.

Language(s) of Instruction
English
