Course Description

The course focuses on the philosophy of contemporary language. This course includes an introduction to contemporary philosophy of language and focuses on truth and relativism and logical reasoning and rational argumentation on the topic of post-truth. The course includes lectures, quizzes on the e-learning materials, and peer instruction based on the Kahoot model. Assessment is based on a final research paper on a pre-approved topic and an oral exam on class lectures, required readings, and special materials.
