Course Description

This course focuses on the Spanish language but also on the history, geography, artistic works, traditions, and current events of the Spanish-speaking countries and their communities. Language learning constitutes 85% of course assignments, whereas culture assignments constitute 15% of the final grade. Tasks in various forms related to language and cultural are performed individually and in groups. Linguistic performance is assessed by through written and oral communication. cultural knowledge is assessed a cultural project in which students research and present a country of the Spanish-speaking world and/or delve into a related specific topic that is relevant for both our understanding of the Hispanic world and the individual interest of the learner.
