Course Description
This course on academic writing and the linguistic structures of academic texts is for students from all departments. The class content includes the following: typical grammatical and stylistic features of academic texts; formal requirements for academic texts; how to write outlines and introductions; how to structure an academic piece; how to formulate theses, arguments, and comments. The seminar participants work on specific writing projects. These are discussed in class, and the participants receive individual feedback from the instructor.

Language(s) of Instruction
