Course Description

The course introduces many aspects of piano music culture, including elementary guqin playing techniques. It simultaneously studies both theory and practice and uses piano music as the starting point for exploration into the ancient Chinese classical music culture and classical music culture represented by the guqin. The course introduces the specific rules and regulations of playing the piano, and the aesthetics of piano music and ancient piano theory as a means to understand the cultural life paradigm and musical aesthetic interest of ancient Chinese literati and doctors.
