UCEAP Course Number 112
UCEAP Course Suffix
UCEAP Official Title CANCER: THE PATIENT JOURNEY
UCEAP Transcript Title CANCER JOURNEY
UCEAP Quarter Units 4.00
UCEAP Semester Units 2.70

Course Description
This course considers the burden of cancer in Ireland and globally. It discusses the basic biological nature of cancer, recognizing the role of biological and technical research advances in the management of cancer. The course examines the problems faced by clinicians, scientists, and patients during prevention, diagnosis, treatment, and survivorship of cancer. The course looks at the global cancer landscape, the linkage of cancer care to cancer research, and how cancer care will change in the foreseeable future.
