4.00

Course Description
This course covers the history of Britain from the arrival of the Anglo-Saxons in the 5th century to the aftermath of the Norman Conquest. The course's central focus is on the changing political structures of the various parts of Britain, with emphasis on the various waves of settlement and the conversion of much of Britain to Christianity. Students in this option undertake only the fall portion of The Making of Britain 400-1400.

Language(s) of Instruction
English
