Course Description

This course is designed for the beginner student with no previous knowledge of German. Students develop basic competences in listening, speaking, reading, and writing as well as a basic knowledge of the German culture. By the end of the course students are able to deal with everyday situations in a German-speaking environment and to conduct simple conversations. Students develop reading strategies that allow them to understand simple newspaper and magazine articles as well as short literary texts. In addition, students write, revise, and proofread short texts in German, and understand the main features of conversations and lectures dealing with familiar topics.

Language(s) of Instruction
