## Course Description

The course examines the historical, economic, and political characteristics of Nordic countries. Specific attention is paid to the uniqueness of the Nordic countries compared to the rest of Europe. Course contents include Nordic history, politics, economics, and business, labor market, and culture. Specific lecture topics include Nordic literature, Ibsen on page and on stage; Norwegian gender equality in politics and society; a historical and generational perspective of Norwegian gender equality in everyday life; the myths and realities of Finnish education; the petroleum-based welfare state; systems of government and the Nordic model; public reforms and the Nordic model; Finnish constitutional and criminal law; and public health in a Nordic perspective.
