UCEAP Course Suffix
UCEAP Official Title PSYCHOANALYSIS & THE DEVELOPMENT OF PERSONALITY
UCEAP Transcript Title PSYCHOANALYSIS
UCEAP Quarter Units 4.00
UCEAP Semester Units 2.70

Course Description
Psychoanalysis is concerned with the idea that mental life has its origins within the earliest years of childhood and with the idea that there are internal dynamics in our experience. In this course, students explore ordinary human experiences – falling in love, feeling hurt, getting stuck, dreaming, getting sick, and how one might think of these through a psychoanalytic lens. Students explore some of the most significant themes in psychoanalysis, surveying the ideas of a number of key authors.
